NOTE: Due to a lack of available Ministers, we are trying a schedule with two Ministers per Mass. This is in an effort to not overwhelm our current group of Minsters by asking you all to be scheduled too much. **However, if you are in attendance but not scheduled that day and feel like you would like to suit up to serve and be the third minister, please feel free to do so.** Please let me know your thoughts for future schedules on whether you'd like to keep it with two Ministers or go back to a schedule with three.
